

T Square Project Step 3: Cleaning & Showcase

Timo Scheerer, Timo Büchert

1. Attribute Cleaning

1. City names

- Align different pronunciations of city names, use longer option
- „Frankfurt(M)” & „Frankfurt(Main)” → „Frankfurt(Main)”

2. Coordinates of identical stations

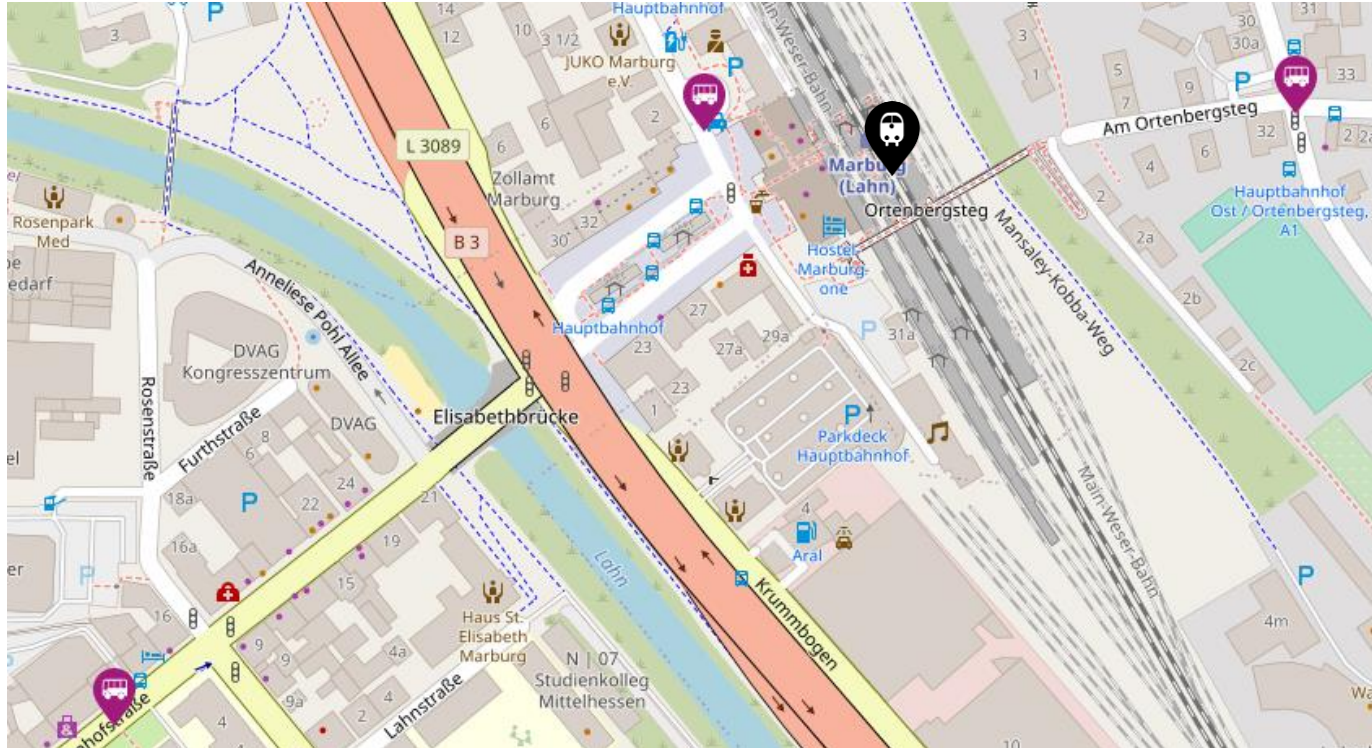

- Use the middle

2. Entity cleaning

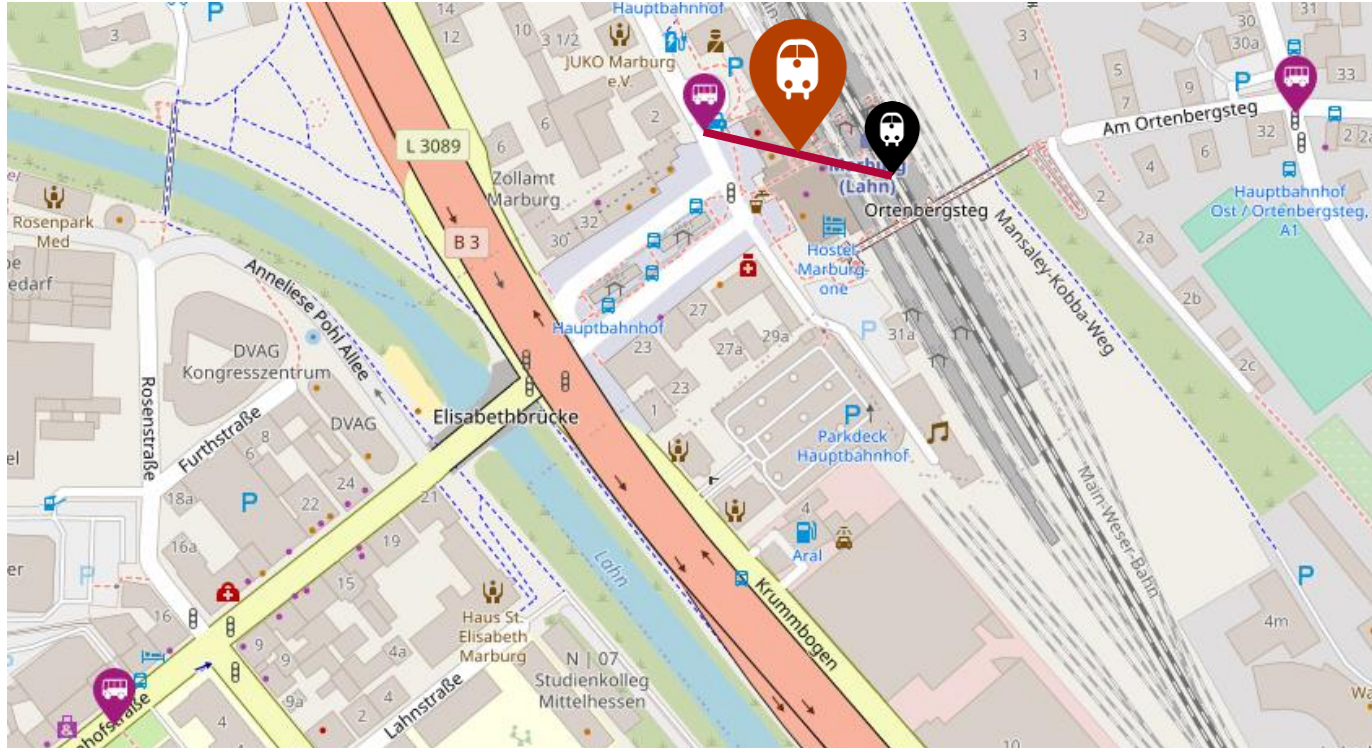

1. Removal of all irrelevant stations that are not used in any transfer option

- „Marburg Taubenweg”
- „Hamburg-Altona”
